**Tenured
Professors'
Installation
Lectures**

Lumituuli
14.15

Professors' nomination ceremony

Lumituuli
14.45

*"Soft power strategies in ambiguous
firm environments"*
Robin Gustafsson
Department of Industrial Engineering and
Management

Palaver
14.45

"Less is more in power conversion"
Marko Hinkkanen
Department of Electrical Engineering
and Automation

Takka
14.45

"Emergence of novelty in markets and industries"
Nina Granqvist
Department of Management Studies

"Visualizing time"
Masood Masoodian
Department of Media

"Automatic recognition of human speech"
Mikko Kurimo
Department of Signal Processing and Acoustics

"Water-repellent surfaces: slippery and never wet"
Robin Ras
Department of Applied Physics

"Computational biology"
Harri Lähdesmäki
Department of Computer Science

"Industrial catalysis looks to the future"
Yongdan Li
Department of Chemical and
Metallurgical Engineering
